AMA CREDIT DESIGNATION STATEMENT
Saint Barnabas Medical Center designates this educational activity for a maximum of 10.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION: STATEMENT
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of New Jersey (MSNJ) through the joint sponsorship of Saint Barnabas Medical Center and the New Jersey Obstetrical and Gynecological Society. Saint Barnabas Medical Center is accredited by MSNJ to provide continuing medical education for physicians.

DISCLOSURE POLICY
It is the policy of Saint Barnabas Medical Center, Office of Continuing Medical Education to ensure balance, independence, transparency, objectivity and scientific rigor in all CME sponsored educational activities. All participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict(s) of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the activity material.

The planning committee and the following speakers have nothing to disclose: Joseph J. Apuzzio, MD; Robyn A. D’Oria, MA, RNC, APN; John D. Fanburg, Esq, Ann Coyle, RNC; Kaitlan Baston, MD, MSc; Oumar Kuzbari, MD; Siobhan M. Dolan, MD, MPH; Beth Leonard-McGovern, MSN, RNC-OB,CHSE; Lisa Gittens-Williams, MD; Ms. Cathleen D. Bennett; Nancy A. Phillips, MD and Rhonda M. Walsh, MD.

Thomas Westover, MD is a consultant for Combimatrix and Sequenom. John Kindzierski, MD is on the speaker’s bureau for Roche Pharmaceuticals.

No commercial support was provided for this continuing education activity.

CONTINUING NURSING EDUCATION
This activity has been submitted to New Jersey State Nurses Association for approval to award contact hours. New Jersey State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

To obtain a nursing contact hour certificate for a given day, participants must sign in on that day, attend all sessions, and complete an evaluation.

Accredited status does not imply endorsement by NJ Obstetrical and Gynecological Society, NJ American Congress of Obstetrics and Gynecology and NJ-AWHONN, NJSNA or ANCC Commission on Accreditation of any commercial products displayed in conjunction with this program.

For more information regarding contact hours, please call Linda Bartolo at the Executive Offices at 973-597-0938.
Targeted Audience

OB/GYN Physicians and Nurses. Residents, Medical and Nursing Students, and other Allied Healthcare Professionals are welcome to attend.

Goal

The overall goal of this activity is to update health care providers with current research in various hot topics in Obstetrics and Gynecology and thus promote better awareness of clinical conditions.

Outcomes

- Discuss evidence-based obstetrical practices and strategies to optimize perinatal outcomes.
- Discuss evidence-based gynecological practices and strategies to manage clinical problems experienced by women.
- Identify evidence-based practices and strategies that can be incorporated into obstetrical and gynecological settings.

Objectives

Upon completion of the program participants should be able to:

- Propose various patient safety initiatives that decrease the incidence of maternal morbidity and mortality
- Discuss the current strategies available to limit and prevent the ZIKA virus infection
- Discuss the legal ramifications in practicing obstetrics in 2017
- Describe current evidence supporting care of the woman with diabetes in pregnancy
- Recognize warning signs of impending cardiovascular collapse and describe appropriate care strategies
- Identify measures which support the woman and her family who have experienced a reproductive loss
- State treatment options for women experiencing bladder dysfunction
- Discuss the role of HPV DNA testing to improve cervical cancer screening effectiveness
- State the benefit of using standard criteria to identify early signs in the deterioration of a woman’s condition during labor/delivery/postpartum
- Describe current recommendations for screening and treatment of women with opioid addictions
- Review components of a comprehensive sexual history and common disorders and treatment
- List the treatment modalities that are effective in reducing the preterm delivery rate
- Describe current modalities used to preserve fertility in women with cancer
